

Casual Technical Support Assistant - Allens Arthur Robinson

Location - Perth office

Applications close on Tuesday 8 June

Open to internal and external applicants

An opportunity has arisen in our Information Systems department for a Casual Technical Support Assistant. The successful candidate will hit the ground running as an important member of a busy and energetic team. The role involves providing backup support to the Helpdesk in a range of functions from end-user support to moving PCs and equipment.

The ideal candidate will:

- have commenced a degree in Information Technology/Systems or similar.
- have a basic understanding of IT Systems, hardware and software.
- be enthusiastic and hardworking with excellent presentation and communication skills.
- be available for 10 hours each week, which may include some occasional after-hours or weekend work.

This position is open to internal and external applicants.

For more information, please call Kelly Pember, Human Resources Assistant, on 9488 3825.

To apply for this position, please send your resume with a covering letter to Kelly Pember using our online form <http://www.aar.com.au/careers/join/corp/apply.asp> before applications close.
